

Quality Policy

DFF Corp. will meet or exceed all Customer requirements.

DFF Corp. will accomplish its Customer's objectives by:

1. Using a "Continuous Improvement" approach to all activities.
2. Setting and regularly monitoring goals and objectives.
3. Maintaining "State-of-the-Art" equipment.
4. Continuing the education and training of all employees.
5. Maintaining a Quality System based on ISO 9001 and AS9100.
6. Believing that the only battleground is "Responsiveness".

Quality, Delivery and Price are all "Givens."
